

Deerly Lady

Testimony eye-witness

3 policemen shot Mr. Martin, hid behind a car shot into crowd. Mr. Martin was hit (heard several caps, he was pink - why?) police walked away, made no attempt to help. Took body away first, left car on street atleast 45 minutes. No one has been around the engine about it.

Street was full - people broke a car all the way up there (home)

Why did you shoot him he didn't have neither - ~~no gun~~ not even a pocket-handkerchief. A ten year old boy was killed over there they say. I don't know

Injured by
bullet

apt. 7A. Harris Family: Mother home at 5:00

Here are the bullet holes - 2 in wall of sitting area.

They were shooting everywhere and told us to clear the building. We went to Guilman St. until Monday. On 9th & 11th floor in this building, they have holes all in their walls.

The police used a loud speaker to tell people to clear buildings. 4 girls + 2 boys plus parents in family.
