- *strengthening the welfare rights movement in new parts of the city
- *building neighborhood groups in new areas
- *fighting for better schools
- *how to change business practises along Clinton Avenue, Springfield and S. Orange Avenues
- *programs about the Vietnam war and the draft
- *politics *our new Organizers School *play streets, summer fun

Transportation will be provided from Area Board 3 at 9 am on the 18th. Anyone who can drive should notify the Area Board. Food will be provided.

This meeting is for ORGANIZERS who want to WORK to build a MOVEMENT.
