NORTH WARD 483-9804 EAST WARD 622-2542 WEST WARD 372 9194 482-5299 481-3373

Dear Friend .

I have raised the following questions in recent weeks. However, for some unknown reason, they have not been answered

- l. Mr Addonizio: What is the true story behind the phony budget?--Why was I the only Conncilman who voted NO
- 2. What happened to the \$13 Million that was mismanaged by the Board of Education? -- Where is it
- 3. Why were raises and promotions given to City Employees at Election time?
- 4. Why is 70% of the property in the City untaxable, leaving the burden on the remaining property owners.
- 8 5. Explain to the people now, Why next year's tax rate will go up over 150 points.
- 6. Why did you wait until six weeks before the Election to clean the streets?
- 7. Why is our Crime Rate one of the highest in the Country?
- 8. What plan have you come up with, to combat the Narcotics Problem
- 9. Why can't our citizens attend Board of Education Meetings without being HARASSED, ABUSED or ASSAULTED?
- 10. Why do we have to be afraid to send our Children to School? Crimes in our Schools have increased over 200%.

In the past we made a few wrong choices and we lost almost everything. We only have one hope. Make your Vote Count. Vote A-2 -- Elect Anthony Imperiale.
