Dear Mr. Curvin:

As you know, the election for Mayor and City Councilmen is May 1970.

On Tuesday, April 15, 1969, at Newark Rutgers University, University Way, a meeting is being held to plan a Black convention for the purpose of nominating Black candidates for election to these municipal posts. The moderator of this meeting will be Robert Curvin, Extensions Specialist, Bureau of Community Service, and will convene at 7:30 P.M.

Your attendance is of crucial importance to the future of Black people in the City of Newark. We look forward to your participation.

Sincerely,

John Bugg
