

MR. KENNETH A. GIBSON

CANDIDATE FOR MAYOR OF THE CITY OF NEWARK

Mr. Kenneth A. Gibson earned his Bachelor of Science degree in June, 1962, after attending night school at Newark College of Engineering for a period of eight years. He is presently a member of the Board of the Greater Newark Urban Coalition; the YM-YWCA; MEDIC Enterprises, and Business Industrial Coordinating Council (BICC). Mr. Gibson was the recipient of the Distinguished Service Award from the Newark Jaycees, an award given annually to Newark's outstanding man. This event marked a first for a black man, and an engineer, to have received the Distinguished Service Award. Mr. Gibson also received an award for Community Service from the Newark Chapter of Frontiers International Clubs. He was also a candidate for Mayor of the City of Newark in 1966.
