

TO ALL DELEGATES AND GUESTS

Welcome to the Black and Puerto Rican Political Convention of 1969. The Convention Planning Committee has been meeting since June trying to prepare a well organized, happy affair. Many hours and the work of many people and organizations have gone into the planning. We have tried to make things comfortable and have arranged a program we hope you will find exciting and informative. More importantly, we have attempted to involve as many people from the Black and Puerto Rican Communities of Newark as our time, energies and awareness would allow. But that is still not enough to insure a successful convention. Success is possible only if YOU, the participants, really involve yourselves in the events of the weekend. As you help to write our platform, meet and question the candidates and vote for the persons of your choice, we hope you will find a new spirit and drive for unity that will carry us to Victory in 1970.

An Information booth is located in the lobby to the left of the desk. Personnel will be there throughout the convention to serve you.

We are happy that you are here to share in the making of this historic event.
